File No. 25-23/CGWA/NOCAP/2019

Date: 08/05/2019

NOTICE

Sub: Renewal of No Objection Certificates

The renewal of NOC granted for ground water extraction for proponents applying for the same after expiry of the existing NOC was stopped by CGWA vide Notice dated 15/02/2019. In view of the problems being faced by project proponents in online filing of fresh application after expiry of their NOCs, it has now been decided to allow such applicants to submit applications online for renewal of NOC even after expiry of NOC. Such applicants will now be able to submit applications for renewal of NOC online in CGWA website (<http://cgwa-nocin.gov.in>). However, the ground water withdrawal during the period between expiry of existing NOC and renewal of the same shall be considered as illegal and the project proponent shall be liable to pay environmental compensation as decided by the Competent Authority.
